About Camp Superkids:
Camp Superkids is a life-changing overnight camp that teaches children and their families about how to better manage their asthma. This experience helps kids with asthma feel more independent and confident.

Superkids is held at YMCA Camp Idhuhapi where campers get to enjoy all the activities of summer camp - swimming, canoeing, kayaking, music class, ropes courses, arts and crafts, camp games and more!

Camp Staff:
Highly skilled providers, nurses, respiratory therapists, pharmacists and program leaders provide 24 hour medical supervision and education.

Cost:
$715 for the week. Camperships and payment options available.
